Manufacturing Quality Scottish Products since 1966. Proudly distributed world wide.

We have a long tradition of passion for our work and pride in our products. Simply, we make the best products available! From the old school of master craftsmanship, we put the extra effort into making the best Scottish products on the market. The art of sporran making can only be appreciated if the steps of production are acknowledged. Best Raw Materials Available: We have built long term relationships with all of our suppliers to ensure only world-class items are produced. We use Premium North American Full Grain Leather in our manufacturing processes. The natural characteristics of genuine Full Grain Leather are considered nature's signatures, with occasional markings. Master Designs: Our sporrans are designed for beauty, function and prestige. Thirty-nine years in business proves our dedication to excellence. Our philosophy is to build the best available item, DO NOT TAKE SHORTCUTS. Master Craftsmanship: All L&M products and sewn and trimmed with the utmost care. All inside edges are bound with quality leather, sewn and trimmed. Over 100 years of experience divided amongst our staff. Our name is on every item we produce. Customer Satisfaction guaranteed: Reliable, accommodating and fast. Only the best is good enough for our customers and reputation. L&M the manufacturer of choice, with pride in our tradition and heritage. Involved in our Community: We are a community partner with DASC. The mission of DASC, in association with its community, is to provide opportunities for adults with an intellectual disability and support them in realizing individual potential.
