MaClan Borough

We are from Meckleburg-Vorpommern.

How it all began : The Clan MacLanborough Pipes and Drums were founded former Pipe Major of Hamburg Caledonian Pipe Band or perhaps better known as Scandinavian Seaways Pipe Band , and his wife Heidi in 2001 by Hans -Joachim Kummerlöw . You might ask : "Why MacLanborough ? " , It is quite easy to explain : Talk " Mecklenburg " but once something different, something " English " . Our BADGE Our TARTAN Pipe Major (P / M) H.-J. Kummerlöw , was trained by John Bruce , P / M Royal Scots Dragoon Guards , Brion Brotherton , P / M Royal Scots Dragoon Guards , Duncan Johnston , one of the world's best top players and Alan Campbell. Thus we are able to form all beginners and advanced very well in the fortunate position . I also like to thank Andreas Nier who has given me courage again and again if I wanted to burn my bagpipes out of frustration because he did not so I wanted to be like ! The objective is and remains that the Scottish music and culture bring near here in Mecklenburg Vorpommern young as well as older people. Tuition is free , but hopefully not in vain. However, we expect a complete integration into the band in return . We are in Kladrum to Hause.JEDE / R is cordially invited to join us .
